Rake 'N' Roll! A hay day at Long Meadow!

Pictured Top: Jose & Jim Puntenney
Making their rounds! Jim Puntenney, long time rancher and manager of the beautiful Long Meadow Ranch in Chino Valley recently took delivery of his New Holland BR7060 round baler! Jim noted that "with scarce labor supplies these days to handle the square bales, along with his busy ranch schedule, a faster more efficient means [of baling] was needed to shorten the harvest cycle". Long Meadow will add this equipment to their current fleet consisting of a New Holland model 2450 swather and NH 575 square baler. Thanks again Jim and Long Meadow Ranch, we appreciate your business!

"When you grow up on a ranch, you don't really know exactly when you start to ride and rope, but I remember as a child always having a rope in my hand. I would rope the fence posts, anything I could".
